***IT PIVOTS***

***The TRIPLE THREAT DUSTER  
will become your detailing MVP***

- Its aluminum extension handle makes hard to reach areas easier to dust
- The click to rotate mophead adjusts for better dusting on curved surfaces
- The duster also has a push button to pivot the mophead for even better performance

## ***The California Upholstery Brush***

- Quickly removes pet hair, lint and debris from vehicle's fabric upholstery
- Dust and hair cling to the brush's soft silicone bristles
- Great for cleaning and maintaining floor mats, fabric seats and door panels
